SUPER BRIGHT

Home to a powerful torch. Front facing, super-bright 100+ lumens torch lending you a helping hand when it's needed most.

BEYOND RUGGED

The Cat B40 comes with an IP68 and IP69 ingress rating which is unique for a feature phone at this price. What's tough about this phone? Plenty actually. Accidentally drop it and its going to bounce, drop it in water or powerwash it if you need to, it will keep on going.

HYGIENE PLUS

For the first time, all external components of this product have been blended with silver ion-based antimicrobial additive for exceptional Germ Defense (ISO22196) keeping you, your colleagues and your family safe.

CONFIDENCE UNDER PRESSURE

Out on the job you don't have time to mess around. It's reassuring to know the B40 won't let you down. Deliberately, this phone is NOT packed with complex features; this phone is simply about calls and texts under pressure, and getting the job done each and every time.
